Selma Murav Dec 13-44

Friends in Petaluma have received word from P. F. C. Selma Murav of the WACs that she has arrived in New Guinea safely and that she enjoyed the trip. They traveled in a luxury liner and had the best of everything. She said they wear fatigue uniforms only, but due to the weather they are allowed to wear bathing suits in the afternoon and go swimming. She asked to be remembered to all her friends here.
